## Meet **Our Founder**

Syauqi Robbani started his career as a banker in Malaysia and Indonesia. In 2018, he founded Edelweiss Hospital with his business partners, expanding the chain to 3 hospitals and 2 clinics in 2024, where he currently sits as Chairman. In 2023, he furthered his master's degree at Harvard University. His profound passion for education, based on his academic experience at Harvard, inspired him to establish Kreativa Global School. He has a vision that the younger generation has a strong academic foundation in STEAM (Science, Technology, Engineering, Arts and Mathematics), enriched with Islamic values and character development, to nurture resilient and capable future leaders.

### **Vision**

Energize Faithful Generation, Maketh Future Leader

### **Mission**

- Fostering critical thinking and creativity of learners
- Emphasizing both literacy and skill development of learners
- Showcasing individualized learning experience for learners
- Nurturing learners to be capable and competitive global citizens

## **Curriculum**

- **IB Curriculum:** We integrate the IB curriculum with STEAM to provide a well-rounded education.
- **Islamic Values:** We instill Islamic values through programmes that deepen the love and understanding of Allah and the Prophet.
- **Montessori Approach:** We employ Montessori techniques in sensory and practical life activities to empower growth.
- **Cambridge Resources:** For Mathematics, Science, and English, we utilize Cambridge resources.
